Larry Campbell TREE OF LIGHTS FORM

The Larry Campbell Tree of Lights is an annual fundraiser that offers individuals a special way to pay tribute with an ornament to friends and family during the holiday season. There are two trees on display in the Tempe Historic Museum Lobby at 809 East Southern Avenue—one for the general public and one for veterans. Donors, individuals being honored, and the families of those being remembered are sent invitations to attend a reception in the lobby of the Museum. The fundraiser is named in honor of Larry Campbell, a past president of the Tempe Historical Society, who began this Tempe tradition in 2001. The Society now partners with the Veteran's History Project, Friends of the Library and Friendship Village for this event.

Please send a check for $10.00 for each entry to:
