Larry Campbell TREE OF LIGHTS FORM

The **Larry Campbell Tree of Lights** is an annual fundraiser that offers individuals a special way to pay tribute with an ornament for friends and family during the holiday season. There are two trees on display in the Tempe Historic Museum Lobby — one for the general public and one for veterans. The fundraiser is named in honor of Larry Campbell, a past president of the Tempe History Society, who began this Tempe tradition in 2001. The Society now partners with Friendship Village for this event. *All proceeds and donations help support a variety of the Museum's programs and activities.*

Please send a check for $10.00 for each entry to:
